

Marrs to Play Greyhounds Dec. 28

The Sault Greyhounds of the NOHA Junior "A" League have confirmed the playing dates for two exhibition games against the Thunder Bay Junior League near the end of the month.

The Hounds will be hosting the Port Arthur Marrs at the Gardens December 28th before travelling to Thunder Bay on the 30th to meet an all-star squad made up from

teams in the Lakehead area.

The Marrs will be reinforced for their game against the Hounds as they will be adding four or five players to their lineup from the Fort William Canadians and the Westfort Hurricanes.

All indications point to the NOHA being expanded by at least two teams next year with the Marrs being one of

the two coming into the fold.

Should the plans in the making materialize the league could become a seven-team circuit with Thunder Bay as the farthest point west and North Bay the most distant heading east.

Friday night the Greyhounds are in Espanola and return home for a Sunday afternoon engagement with the North Bay Trappers.
